

Policies: The Seven Principles of Leave No Trace

Ziptrek Ecotours Tremblant

1. Objective

Ziptrek Ecotours is committed to minimizing its environmental impact and preserving the natural beauty of Mont-Tremblant. This policy establishes the rules and behaviors to be adopted by all participants in order to protect the ecosystems visited.

2. Scope of Application

This policy applies to all clients, guides, employees during Ziptrek Ecotours activities.

4. Principles and rules to be respected

1. Planning and preparation

All participants must prepare adequately before the visit, taking into account weather conditions and terrain.

2. Use durable surfaces

Travel must be done exclusively on designated trails, platforms and facilities in order to limit erosion and disturbance of vegetation.

3. Waste management

All waste, including food, packaging, and other items, must be taken off-site and disposed of in the designated bins. No waste should be left on-site.

4. Respect for the natural environment

It is forbidden to move or damage flora, fauna, rocks, or any natural or cultural element. Visitors must observe without interfering.

5. Use of fire

Smoking is strictly prohibited during the entire Ziptrek tour for safety and environmental reasons.

6. Respect for wildlife

Wild animals should be observed from a respectful distance and never fed or disturbed.

7. Behavior towards other visitors

Please be patient and courteous so that everyone can fully enjoy the Ziptrek experience.

8. Declaration of Commitment

Ziptrek Ecotours is committed to raising awareness of these principles among its visitors and employees, ensuring responsible supervision, and promoting sustainable management of natural areas.

This policy is effective upon adoption in 09/2025 and will be reviewed periodically.
