**MONT-TREMBLANT, QUEBEC, May 12, 2026** – Tripadvisor, the world's largest travel guidance platform and popular review site, recently released their Travellers' Choice Awards for 2026. It was with great pleasure to learn that Ziptrek Tremblant landed on the Top 10 Experiences in Canada list, which is a great honour and testament to the quality of the experiences delivered to guests at this location.

"This is truly amazing news and is the result of so much hard work by so many people. It is wonderful to receive this recognition. It is inspiring to see all the positive reviews we receive, and this award represents a form of validation as to why we work so hard to provide a safe, educational and inspiring experience for our staff and guests", says Ziptrek Tremblant's Site Director, Marc Menard. "The entire team is thrilled with this news!"

Operators who consistently deliver exceptional experiences evidenced by guest reviews may receive a Travellers' Choice award in any given year, while the "Best of the Best" title celebrates the highest level of excellence in travel. It's awarded to those who receive a high volume of above-and-beyond reviews and opinions from the Tripadvisor community over a 12-month period. Out of 8 million listings, fewer than 1% achieve this milestone.
